DAMAIRA EXPORTS

**IDE**

MEDICAL CARE FOR ALL

## VISION

Damaira Exports is aiming to be recognized as a well known global leader in the healthcare segment by consistently delivering quality products throughout the globe.

## MISSION

Damaira Exports is determined to create renowned brands and supply quality products worldwide.

## CORPORATE ETHICS & CORE VALUES

### Our Corporate Ethics & Core Values bring CHARM to the world.

#### Customer

We always strive to supply quality products and ensure our customers receive quality products at the right time and at the right price.

#### Health Care Professionals

We work hard to supply good quality products to health care professionals so that they can help in creating a healthier society.

#### Associates

We always work for the growth of our Organization and our business associates.

#### Responsibility

We understand our responsibility towards betterment of humanity and our environment.

#### Measures

We take necessary measures to ensure good quality of our products.

## ABOUT US

We, Damaira Exports are one of the leading healthcare service providers across the globe. Our group began with “**MEDICOS**” in 1971 representing elite pharmaceutical companies which include Sun Pharmaceuticals, Lupin, Cipla, Intas, 3M India Ltd, Reliance Life Sciences, Pfizer and so forth.

True to our motto “MEDICAL CARE FOR ALL”, we are committed to providing affordable & quality healthcare for everyone. We are pioneers in our field with over 50 years experience within the pharmaceutical marketplace. We have over 300 satisfied clients all across the globe. We deal in wide range of formulations that comes in various dosage forms.

## PRIME MINISTER'S PROGRAM

We are authorized supplier to the Indian Prime Minister's Program to supply healthcare products to **AMRIT** Stores (Affordable Medicines & Reliable Implants for Treatment) across India that provides affordable medicines to cater to the basic needs of economically weaker section of the society.

We are also working on Prime Minister's program for providing essential drugs, surgical and medical equipment to numerous developing and under developed nations as a part of humanitarian assistance program. Our organization has been part of this scheme by supplying to countries like Jordan, Malawi, Tanzania, Kenya, Zambia, Zimbabwe, Korea, Ethiopia, Peru, Venezuela, Honduras, South Sudan, Tunisia, and Palestine with an annual supply of USD14 Million to selected countries through the Ministry of External Affairs, India.

## DOMESTIC AFFAIRS

We have our own Sales and Marketing team to promote our brands in the Indian market. Currently, in our domestic business we are associated with many institutions and state government bodies like PGIMER, PHSC, HMSCL, UT Administration, Himachal, Punjab and many other state governments.

## GLOBAL PRESENCE

We are working with direct importers and governments of many countries for direct exports of our Pharmaceutical products to their respective countries. Damaira Exports is actively working in South East Asian & African countries to establish our healthcare segment. Our organization is focused on providing a varied range of healthcare products including Immunosuppressants, Anti Cancer Drugs, Nutraceuticals, Cosmeceuticals and Medical Equipments.

## UPCOMING PROJECTS

We are now coming up with our own manufacturing facility that will be EU GMP certified to cater to the regulated and ROW markets. We are passionate about our work and proud of being a part of healthcare industry through which we can offer our contribution in making a Healthier World.
